FOR IMMEDIATE RELEASE

PAVEMENT WORK ON SR 99 BEGINS MONDAY

REDDING – Caltrans will begin work Monday, April 4, 2011, on a pavement and bridge rehabilitation project on State Route 99, north of Los Molinos from Tehama-Vina Road to the junction of SR 99 and SR 36 in Red Bluff. The \$11.2 million project was awarded to Knife River Construction of Chico and will rehabilitate roadway pavement and ten bridge decks on a 12.4 mile section of SR 99.

On Monday, April 4, the contractor will begin work at the north end of the project, near the SR 99 and 36 junction, on a half mile stretch of roadway which includes two bridge decks. For this part of the project, motorists can expect maximum delays of up to 10-15 minutes weekdays (Monday-Friday) between 8 a.m. and 7 p.m. Traffic will be reduced to one lane and will be controlled by flaggers. Some night work is expected later in the schedule.

For more information please contact the Public Information Office at 530-225-3260.
